

# SEASON OF CREATION

## Creation: The First Book of Revelation

Nature is a constant source of wonder and awe, a continuing revelation of the divine. To appreciate the love and beauty of God manifest in creation, all one has to do is “see” and reflect on the beauty,

intricacy, mystery, and harmony of creation. The love that gave birth to all creation was also the love that gave birth to Jesus. But we should also be aware that our beautiful Earth is under siege and imperiled. Rather than exploit creation, we must remember that God alone is the all-powerful Creator and care for it in a responsible manner. (Laudato Si’, 62-88)

**Pray** Psalm 104:24 “How varied are your Works, Lord! In wisdom you have made them all; the earth is full of your creatures.”

**Think** God’s creating hand is visible in what he has made.

**Act** Take time to experience the beauty and wonder of God’s creation by taking a walk, visiting parks and places of beauty, creating a garden, visiting a zoo, or enjoying a pet. Give thanks for these gifts!
