

LIVING A STEWARDSHIP

It is all about your heart...
Everything we have is a gift from God
that we are to use to help others.

Life

Share Your Time & Talent

God has given each person unique gifts. As Catholics, we recognize that our gifts of talents and skills are not to be kept hidden or buried, but are meant to be cultivated, developed, and shared with others—our family and friends, those with whom we gather to share the Eucharist, and the world. Actively participating in the life of our parish community is an expression of **STEWARDSHIP** and helps make us one in the Body of Christ.

Please take a moment to share your gifts and interests with us! Filling out this form will help us connect you with opportunities in our parish that you may find uniquely fulfilling. Your parish is a safe place to try out a new interest or talent!

This is not an immediate commitment, but a way for us to let you know if needs arise in your areas of interest and an opportunity to have your questions answered.

✓ Please **check** all items below where you have an interest or questions.

Please circle any area in which you'd like to jump in and get involved right away!

We would love for each person in your family to fill out their own form... *Thank you!*
